

SPECIALISTS IN SPORTS AND ORTHOPEDIC REHABILITATION (SSOR) – PRIVACY POLICY

1. Acknowledgement and acceptance of terms

Specialists in Sports & Orthopedic Rehabilitation is committed to protecting your privacy. This Privacy Policy sets forth our current privacy practices with regard to the information we collect when you or your computer interact with our website. By accessing www.ssorkc.com, you acknowledge and fully understand SSOR's Privacy Policy and freely consent to the information collection and use practices described in this website Privacy Policy.

2. Information we collect and how we use it

SSOR collects certain information from and about its users three ways: directly from our web server logs, the user, and with Cookies.

1. Web server logs

When you visit our website, we may track information to administer the site and analyze its usage. Examples of information we may track include:

- Your Internet protocol address
- The kind of browser or computer you use
- Number of links you click within the site
- State or country from which you accessed the site
- Date and time of your visit
- Name of your Internet service provider
- Web page you linked to our site from
- Pages you viewed on the site

2. Use of cookies

Specialists in Sports & Orthopedic Rehabilitation may use cookies to personalize or enhance your user experience. A cookie is a small text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. For example, if you personalize a web page, or navigate within a site, a cookie helps the site to recall your specific information on subsequent visits. Hence, this simplifies the process of delivering relevant content and eases site navigation by providing and saving your preferences and login information as well as providing personalized functionality.

Specialists in Sports & Orthopedic Rehabilitation reserves the right to share aggregated site statistics with partner companies, but does not allow other companies to place cookies on our website unless there is a temporary, overriding customer value (such as merging into www.ssorkc.com a site that relies on third-party cookies).

You have the ability to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies. If you reject cookies by changing your browser settings then be aware that this may disable some of the functionality on our website.

3. Personal information users

Visitors to our website can register to purchase services. When you register, we will request some personal information such as name, address, email, telephone number or facsimile number, and other relevant information. For other types of registrations, we will ask for the relevant information. You may also be asked to disclose personal information to us so that we can provide assistance and information to you.

We will not disclose personally identifiable information we collect from you to third parties without your permission except to the extent necessary including:

- to fulfill your requests for services
- to protect ourselves from liability
- to respond to legal process or comply with law
- in connection with a merger, acquisition, or liquidation of the company

3. Use of web beacons or gif files

www.ssorkc.com web pages may contain electronic images known as web beacons-sometimes also called single-pixel gifs-that allow Specialists in Sports & Orthopedic Rehabilitation to count users who have visited those pages and to deliver co-branded services. SSOR may include web beacons in promotional e-mail messages or newsletters in order to determine whether messages have been opened and acted upon.

Some of these web beacons may be placed by third party service providers to help determine the effectiveness of our advertising campaigns or email communications. These web beacons may be used by these service providers to place a persistent cookie on your computer. This allows the service provider to recognize your computer each time you visit certain pages or emails and compile anonymous information in relation to those page views, which in turn enables us and our service providers to learn which advertisements and emails bring you to our website and how you use the site. Specialists in Sports & Orthopedic Rehabilitation prohibits web beacons from being used to collect or access your personal information.

4. **Accessing web account information**

We will provide you with the means to ensure that personally identifiable information in your web account file is correct and current. You may review this information by contacting us by sending an email to our support attendant: info@agilityhealth.com.

5. **Changes to this statement**

SSOR has the discretion to occasionally update this Privacy Policy. When we do, we will also revise the "updated" date at the top of this Privacy page. We encourage you to periodically review this Privacy Policy to stay informed about how we are helping to protect the personal information we collect. Your continued use of the service constitutes your agreement to this Privacy Policy and any updates.

6. **Contacting us**

If you have questions regarding our Privacy Policy, its implementation, failure to adhere to this Privacy Policy and/or our general practices, please contact us. Email us at privacymatters@agilityhealth.com or send your comments to:
